

Sunrise H170 Divider

design Franco Poli, 2020

Easy to set and move, the Sunrise divider can also have a purely decorative function. Its "see-not-see" effect lets the light filter through, creating fantastic shadow effects.

The divider is made with a metal frame and a hide or Tuscan hide mesh.

PROPRIETIES AND ADVANTAGES

The hide is a hygienic and very practical product: it resists to wear, it's impermeable to water but, at the same time, the hide wicks air and sweat. The hide is obtained from the skin of bovines breeds and slaughtered for food purposes and subsequently treated with chromium salts.

CLEANING INSTRUCTIONS

Use only a damp, non abrasive cloth; do not use products containing solvents or alcohol that may damage the surface. It is advisable to test an invisible area of the product before cleaning it all. For good preservation of the product purchased, it is inadvisable to expose it to direct sunlight that may alter its features and colours. Any surface imperfections are natural features of hide and guarantee that it is an original product.

Materials Certifications

Tuscan hide

Tuscan Hide does not fear to get aged since the oldest it gets the more unique it becomes. It is a material deriving from animal's leather which suffer a process called "vegetable tanning" with natural tannins and with the help of some products biologically compatible whether for the dyeing or for the finishing. Any possible imperfection, sign, scar, stain of the Tuscan hide surface are a natural characteristics which guarantees its originality.
