Suspense table

design Studio F+B Design, 2020

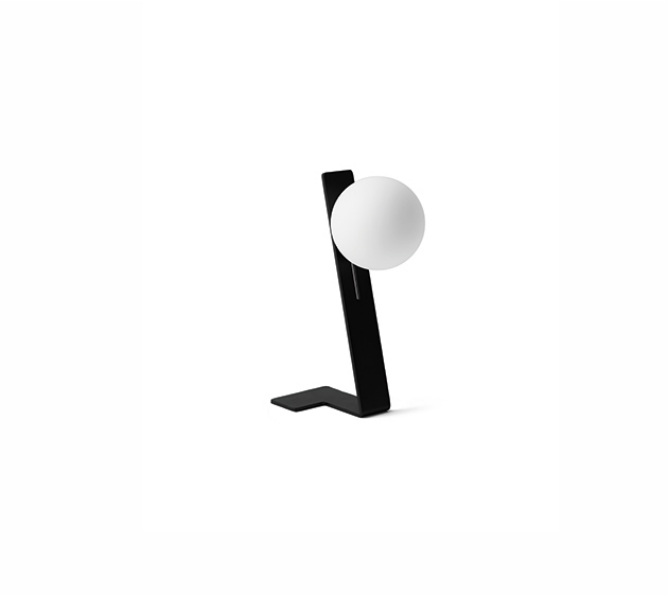

Table lamp with direct diffused light. The diffuser is made of satin glass and is adjustable in height along the support bar. The support is made of metal in the single variant in black. The white and opal light runs along the band in an exercise of timeless forms.

On the electric power cable there is the on / off switch. The cable has a length of 1.5 m (59.1 in) and is covered with black silk.
